## UPPER ELEMENTARY TEACHING POSITION @ PROGRESSIVE ELEMENTARY SCHOOL

---

Olympia Community School (OCS) is excited to announce a special opportunity to join a team of incredible teachers at a small independent school with a 40+ year commitment to progressive elementary education. Teachers seeking an opportunity to work within a school community valuing holistic, student-centered, collaborative education will thrive in this environment. If you have a passion for developing creative curricula that is emergent, theme-based, experiential, and student-centered, you will love teaching at OCS!

This is an exciting opportunity to collaborate with two experienced teachers in an established progressive alternative school. The ideal candidate will be an excellent teacher and will be a great match for the school's approach to teaching and learning.

### OLYMPIA COMMUNITY SCHOOL OVERVIEW

The Olympia Community School (OCS), established in 1973, is a small, nonprofit, secular, progressive teacher and parent operated primary school. At OCS, three full-time certified teachers will work together as a team to teach Kindergarten through 5<sup>th</sup> grade students in our three multi-age classrooms.

In addition to daily academic instruction, the school focuses on nurturing creative and artistic expression, peaceful conflict resolution skills utilizing Non-Violent Communication (NVC), mindfulness, environmental awareness, and community involvement. Teachers embrace a student-centered approach and offer instruction with respect for children's individual interests, talents and abilities. Field trips, workshops and thematic curricula inspire a love of learning at OCS.

Small class size (maximum 14:1) and support for a wide range of studies both allow and require that teachers develop creative curricula. OCS values fostering self-esteem, environmental stewardship, embracing diversity, and preparation for compassionate and socially responsible citizenship in the school and community. Visit OCS's website at <http://www.olympiacommunityschool.org/> for more information.

### POSITION SUMMARY

The teacher will have primary responsibility for teaching a class of approximately 10-14 students aged 8 to 11 in a combined 3rd through 5th grade classroom. The normal work day is 8:30 am to 3:30 pm Monday – Friday with a 30 minute lunch break. On Wednesday afternoons the three teachers meet for two hours (1 to 3 pm) to work on joint lesson planning. In order to carry out OCS's progressive approach to elementary education described above, the teacher will work collaboratively with two other veteran OCS teachers (teaching grades K-2), and will actively communicate with parents.

## TO APPLY

Applications will be reviewed beginning April 4, 2018 and will continue on a rolling basis until the position is filled. Send a letter of interest, your resume, a list of three references, and answers to the three application questions (below) in .pdf format to [hiring@olyedu.org](mailto:hiring@olyedu.org). (We will check with you before contacting your references).

### APPLICATION QUESTIONS:

1. What educational researchers, philosophers or teachers have most influenced your teaching style and choices in the classroom? How do these philosophies affect your teaching and why do you feel these ideas are important?
2. Describe and provide examples of how you teach and assess math and language arts skills to children with a wide range of abilities. What teaching strategies and pedagogy do you implement? How do you individualize instruction? Show evidence (photographs and/or activity descriptions) of your experience with *differentiating* (individualizing instruction and assessment) for students of varying ages/abilities/grades.
3. OCS strongly values academic growth as well as social and emotional growth. What ideals and ethics are important to foster in 8-11 year olds? Please describe how you teach social-emotional skills.
